

***TREATY AGAINST GLYPHOSATE  
PRINCIPALITY OF BEREMAGNE***

To all parties in signature, in face of the international conventions drafted in the name of peace and cooperation between the states, it's an obligation of nations in signature of the TREATY AGAINST GLYPHOSATE to follow the followed regulations.

**ARTICLE I**

Each nation in signature, by this treaty, accept the prohibition of the Glyphosate on national territory.

**ARTICLE II**

In case of non-compliance of a nation, the present treaty will be immediately broken.

**ARTICLE III**

Each nation in signature accept to take measures in case of the illegal introduction of Glyphosate on the National Territory.

**ARTICLE IV**

Each nation in signature accept to make at least one official publication, to learn the danger of this Product to your citizens.
